

Family Supports Institute Ontario

Advancing the practice of family support

Who We Are

The Family Supports Institute Ontario (FSIO) is a member-based organization that provides leadership to professionals who work in the field of family support. We serve professionals working in Family Support Programs across Ontario—connecting, training, and advocating on their behalf.

What We Do

✓ Professional Learning & Training

Building capacity through professional learning such as the Essentials of Family Support learning modules

Workshops, Town Halls, and relevant resources to strengthen skills and practice.

Learn more about training opportunities → [Click Here](#)

✓ Advocacy & Voice for the Sector

Representing family support professionals in policy discussions.

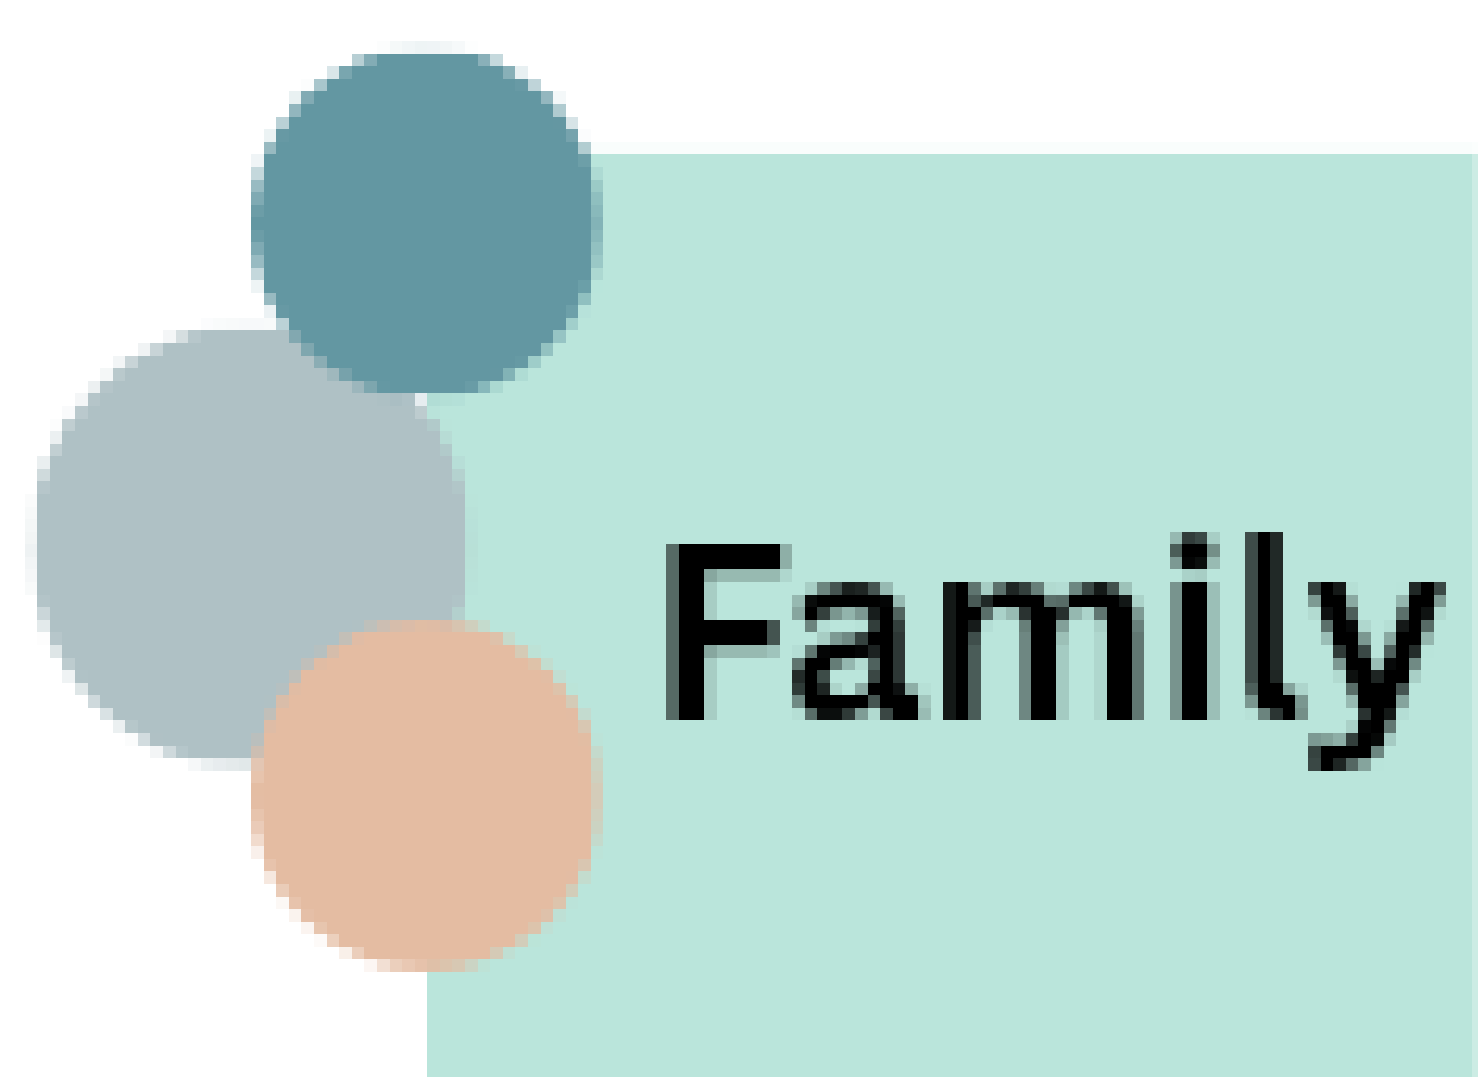

Highlighting the impact of Family Support Programs across Ontario.

Read about our advocacy work → [Click Here](#)

✓ Networking & Community Building

Creating opportunities for professionals to connect, share, and learn.

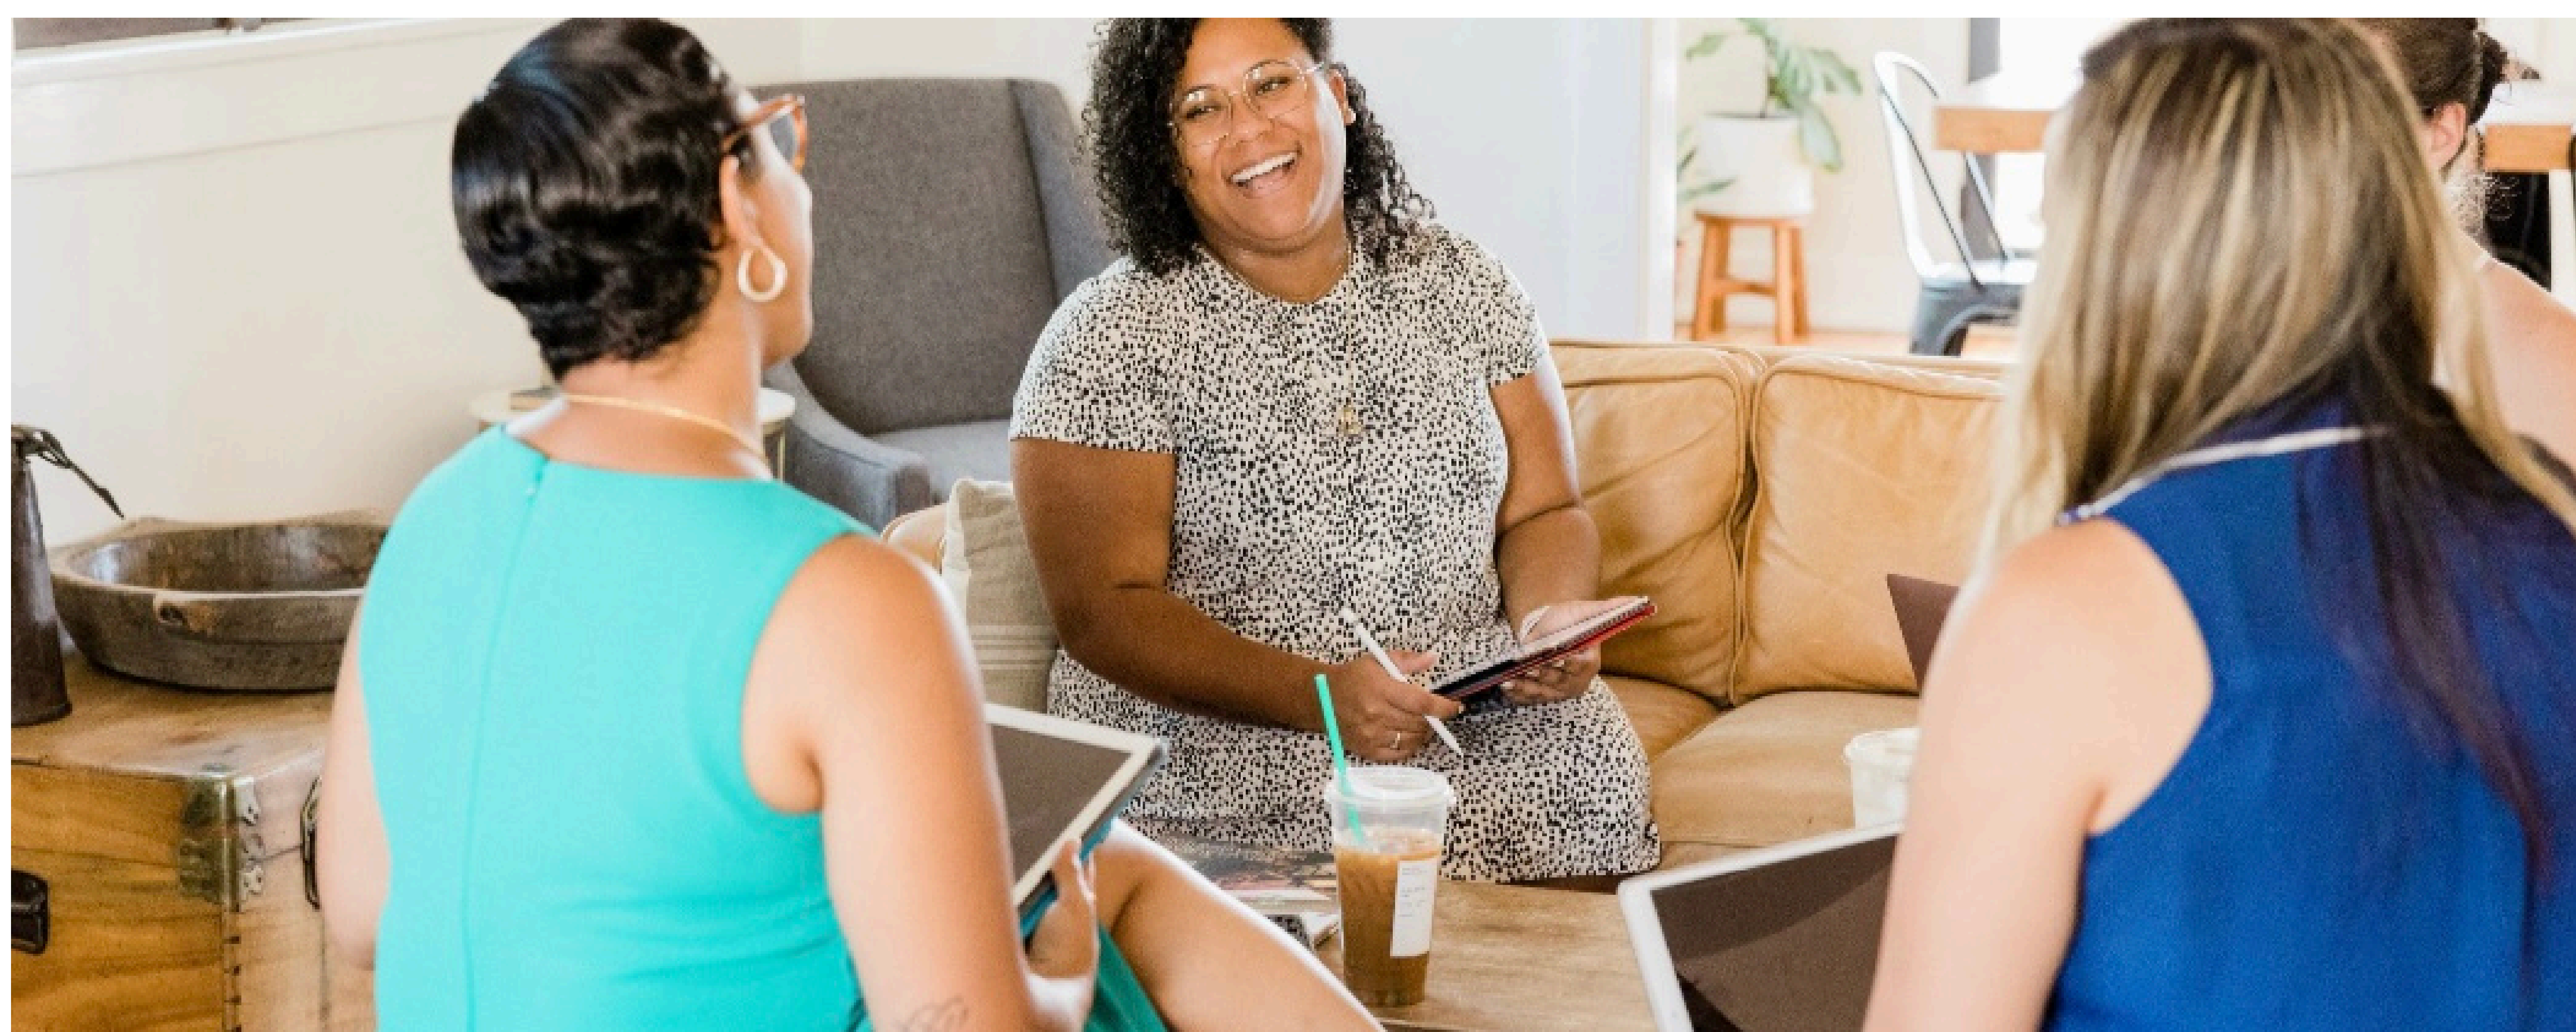

Newsletter Connections featuring relevant resources, promising practices and advice from the field.

Family Supports Institute Ontario
Advancing the practice of family support

Why Join FSIO

- Provincial Reach – representing programs across Ontario.
- Professional Growth – training and learning opportunities for practitioners.
- Stronger Sector – uniting our voices to influence positive change for families and those practitioners working in family support.

Currently, the FSIO Advocacy Committee is gathering accurate salary and wage data from family support staff—the lowest paid in the early learning and care sector. This information will strengthen our advocacy with the government.

Please take 2 minutes to complete the survey.
