

Provides quality, timely and accurate information in the form of directories, resources and interactive calendars related to Child Care, EarlyON Programs, Special Needs Services, and Community Programs.

Early Years and Child Care System Navigation

Facilitating access to childcare resources and programs by identifying and providing support to overcome barriers for families, vulnerable populations and those requiring additional assistance due to varying needs.

Kids Pathways Peel

Planning and coordination of services for families with children and youth who have special needs (up to 18 years of age) through a network of community partner agencies.

Peel Respite Services

A service that supports caregivers and individuals with a variety of needs by connecting them with self-employed Respite Providers who meet their unique needs.

Special Needs Information Peel

Specialized service for children, youth and adults seeking either special needs or mental health supports. Available supports include directory, information and resources, programming calendar, webinars and workshops.

Portail Franco

Providing access to French Language information and resources on early learning, child care, health, special needs, community and social services, as well as programming calendars for families looking to participate in activities for Francophones.
