Strengthen Hands Educational Resources Where Stories & Plush Friends Build Resilient Hearts

Children's Books That Reflect, Affirm, and Empower

From Melanin in Me to Resilient Journey of Tahira the Turtle and ABC's of Affirmation, our books celebrate identity, belonging, and resilience. Each story invites children to see themselves, feel valued, and grow through powerful conversations.

Handmade Crochet Plushies

Pair storytime with our soft, affirming crochet friends. Each is crafted with chenille yarn and stitched with messages like "I am Loved," "I am Strong," and "I am Enough." Perfect for:

- Social-Emotional Learning activities
- Classroom cozy corners
- Comforting transitions and routines

Special Symposium Bonus!

Order any book or plush during the symposium and receive a FREE heart plush keychain, a daily reminder that your work as an educator is valued and appreciated.

Why Educators Like Our Resources

- Our resources support social and emotional development & inclusion practices in the classroom
- Our resources encourage conversations about diversity, resilience & identity
- Our crochet characters add a tangible, comforting element for circle time, reading corners, or one-on-one moments
